

## **SERVICE TECHNICIAN / GATE OPERATOR TECHNICIANS**

Guier Fence Co Inc – Blue Springs, MO

**POSITIONS AVAILABLE:** Service Technicians for residential and commercial repairs

### **OUR COMPANY:**

We are a local, family-owned fence company looking for multiple motivated professionals to join our team. We specialize in custom fences with the **best** customer service available. We install all types of fencing including Cedar fences, Chain Link, Vinyl, Aluminum, Steel, & Gates. We specialize in new construction and tear out / replacement.

We offer competitive wages, company-provided training, company health plan with dental, vision, & life available. We offer paid holidays & vacation, 401k with company match.

### **IDEAL CANDIDATE:**

The candidate must be able to communicate to the customer and sell the repair/service job, set an appointment and complete repair projects. Projects may be anything from replacing a single post to 15 feet of fence or handrail, or gates/gate operators.

2-5 years of Fence installation experience required. Experience with gate and gate operators is preferred but not required. Efficiency with methods of the fence trade is a must, including hand tools, power tools, and large equipment. You will be responsible for the work that you perform.

Guier Fence is an equal opportunity employer. Applicants for employment are considered for all positions without regard to race, color, religion, gender, nation origin, age, disability or genetics, marital or veteran status.

### **ATTITUDE:**

Teamwork is absolutely the most important part of this job. Your skill set, unique experience, and ideas are crucial to the success of our company. We welcome new ideas and appreciate the type of individual that is open-minded about learning our processes and truly cares about the company as a whole.

Accurate measurements and high quality work are key but the most important part of this job is to have a great attitude and a willingness to work as a team on all projects that our company delivers.

### **TRAINING:**

We expect the ideal candidate to have a basic skill set, including efficiency with hand tools, power tools, and pneumatic equipment. We will train you on our methods including work orders, contracts, supplies, material detail, and other company specific processes required to complete projects. We work year round.

### **EXPERIENCE:**

We value quality craftsmanship, professionalism, and efficiency. While we are always looking for experienced fence installers, we will gladly train motivated, hard-working individuals to be the best they can be.

Must have clean drivers license, reliable transportation, clean background check, and the ability to work under strict guidelines.
